Seasons Greetings

I think it is fair to say that we are all looking forward to having our first “normal” Christmas in a quite some time. 2022 has been a busy year for all of us, challenging us with many unexpected twists and turns along the way.

With Christmas almost upon us, it's a time for celebration, spending time in the company of friends both old and new, gathering with family and loved ones. We'll soon be thinking about making our New Year's Resolutions – some we intend to keep and others that will be soon forgotten.

We have welcomed many new residents to our villages this year. Some of them tell us they started planning a long time ago, having chosen where they wanted to live “later on”. For others, the decision was quickly made after seeing our Villages and recognising that we provide an exceptional solution.

We are rewarded when seeing the friendships that develop in our villages. This, in our view, is the foundation of a thriving and supportive community.

The disruption of the last few years has prompted many of us to review our own living arrangements, seeking something that provides a greater sense of security, companionship and peace-of-mind for the future. Certainly, we as a family are starting to explore this ourselves.

If your dinner-table discussions progress to you wanting to explore your options further, please know that we are available over the festive season to answer your enquiries. You are welcome to contact us on 8334 4088.

Merry Christmas and Happy New Year to you, from all of us

With best wishes,

Jim Hazel
Chairman
Omega Communities
